Sidra **Latif**

FRESH GRADUATE

Baldersveg 3B, Trondheim, Norway

(+47) 48628035 | sidra.latif@outlook.com | sidraLatif

Professional Summary

I have recently completed my bachelors of science in computer science with a CGPA of **3.96/4.00**. I had the singular honor of receiving the Gold Medal for outstanding academic achievement. My internships and projects have enabled me to gain organizational experience of the industry environment. Now I want to lead my professional career in a multinational company. I am confident that with the strong academic background coupled with my abilities, motivation and commitment, will enable me to achieve the company's targets.

Education

International Islamic University Islamabad (IIUI)   *Islamabad, Pakistan*
BACHELOR OF SCIENCE IN COMPUTER SCIENCE   (CUMMULATIVE GPA   **3.96**/4.00)   **GOLD MEDALIST**   *August 2013 - August 2017*
- Skills acquired: Machine Learning, Artificial Intelligence, Object Oriented Programming, Data analaytics, Androids, Data structures, Graphics Designing, Fontend Development, IT Troubleshooting, Diagnostics,

Experience

DSI   *Islamabad, Pakistan*
INTERN , INFORMATION SECURITY   *May 2015 August 2015*
- Soleley configured the companys routing system and designed a better techniques for secured data transfers
- Development of an online app which worked simultaneously on two distributive hardwares
- Development of a desktop app using C-sharp

Projects

- Research paper entilted "A novel Cryptpgraphic method developed towards the application of image processing" is submitted in ACM/IEEE Symposium on Logic in Computer Science .
- Development of an interactive website design
- Development of various matlab code for image processing
- Implemented a desktop web application based on C-sharp

Courses

Machnine Learning/Data Science, Coursera   Completed a course on machine learning and data science
https://www.coursera.org/learn/machine-learning

Skills

Operating Systems   Ubuntu, Windows, Mac.
Text processing   Microsoft Office, Latex
Programming   Python, C/C++, LaTeX, MatLab, Octave, MPI, JAVA, C-Sharp, HTML5, CSS, Php, Oracle, GitHub
Languages   English, Urdu

Committees/Honors & Awards

2017	**Gold Medal**, Received for the outstanding academic achievement CGPA **3.96/4.00**	*Islamabad*
2017	**Scholarhsip**, Received maximum scholarship in all semester	*Islamabad*
2011	**Academic position**, Certificate of Merit for being the top 5% of the students appearing in the Matriculation exam	*Islamabad*
2015	**Host** , Hosted the annual day at the university	*islamabad*
